

Energy Systems Environmental Impacts (ESEI)

Conference Organizer

National Technology Initiative Center for Advanced Manufacturing Technologies based on the Institute of Advanced Manufacturing Technologies of Peter the Great St. Petersburg Polytechnic University.

The conference is held within the framework of the II International Forum "New Manufacturing Technologies" (<https://www.rvc.ru/calendar/detail.php?id=156849>).

The organizers of the Forum are World-class Research Center program "Advanced Digital Technologies", National Technology Initiative Center for Advanced Manufacturing Technologies, with the support of the Program "5-100" and with the support of the Ministry of Education and Science of Russia.

Scope of the conference

For the purpose of accelerating the technological development of the Russian Federation and increasing the number of organizations involved in technological innovation, we invite you to take part in a conference on the topics Energy (production), renewable energy sources, sustainable development.

Sections:

influence of aircraft engines and ships on the airspace;
environment impact on the properties of energy machines elements;
power engineering.

The paper should contain:

Title
Authors
Correspondence author's e-mail
Keywords
Abstract
Introduction
Materials and methods
Results
Discussion
Conclusion
Acknowledgments
References

Participant is free

Submitting deadline: 1/11/2020

Paper should be submit to:

klochkov_yus@spbstu.ru

klassen_nv@spbstu.ru

Double-blind peer review

Scientific Committee:

Chair

Klochkov Yury – Dr. (Prof.),
Head of Academic Development Department, Peter the Great St.
Petersburg Polytechnic University, Russia

Deputy Chairman

Gazizulina Albina – Ph.D.,
Director of Center for Monitoring Science and Education, Peter
the Great St. Petersburg Polytechnic University, Russia

Grechnikov, Fedor - Dr., Acad. RAS, Prof., First Deputy.
Chairman of the SSC RAS; Head of the Department of Metal
Forming of Samara University, Russia.

Papic Lubisha - Dr., (Prof.), Technical University Kragujevac,
Head of the Center for Reliability and Quality, Serbia.

Cordoba Maria del Pilar Rodriguez - Ph.D., professor at the
National University of Colombia, Department of Industrial
Engineering (Manizales), Colombia.

Polyakova Marina- Dr., Professor, Department of Materials
Processing Technologies, Magnitogorsk State Technical
University named after G.I. Nosova, Russia.

Leventsov Valery - Ph.D., professor at National Technology
Initiative Center for Advanced Manufacturing Technologies
based on the Institute of Advanced Manufacturing Technologies
of Peter the Great St.Petersburg Polytechnic University

Klassen Nellie - Lead Specialist of Center for Monitoring
Science and Education, Peter the Great St. Petersburg
Polytechnic University, Russia
